**Writing Essay No. 1**

Given: Wednesday, January 26, 2022  
Due: Monday, January 31, 2022: 1:30pm (Google Drive)

**Assignment:**

Your first writing essay consists of reading the following blog and thoughts that are accessible through the link on my web page, and offer your personal comments on its contents as how they relate to your first design foray during the 2022 Fall semester:

<https://atelierdehahn.com/architectural-education-some-thoughts-on-teaching-part-2/>  
<https://atelierdehahn.com/wp-content/uploads/Some-thoughts-on-architecture.pdf>

This will enable you to recap your strength and opportunities as well as set firm and robust goals for this spring semester.

**Deliverables:**

Please pay attention to the deliverables required for each assignment (essays, charettes, design projects, etc). Careful attention must be paid to the specifics of the requirements including, but not limited to, length and format of essay, date and time due, start time of presentations, details of presentations, (e.g., all project requirements, size of uploaded file, name and nomenclature of the file, location of the file, caps and lower case in file names, etc.).

Failure to not comply with these details and any requirements will result in a highest possible grade of C+ on that assignment. I believe that this will assist you as you move forward toward your professional goals.

1. Essay shall be between 350 - 450 words, Arial Font, Size 12, Single line format spacing.
2. Essay shall be titled: WritingEssay1\_S2022\_Firstname (e.g., WritingEssay1\_S2022-John)

Please let me know if you have any questions pertaining to the above content prior to Friday. I very much look forward reading your essays.
